Message from Janet Boutin, Director

It is hard to believe that one month of school is already over! We have had a great start and we have enjoyed getting to know your children. It is amazing how quickly the children have settled into their school routine.

The age of COVID has changed so much at school but, I hope you see the joy, love and commitment the children are experiencing. Many of you have sent kind emails and notes expressing your gratitude and appreciation of the School. Thank you for your kindness and patience!

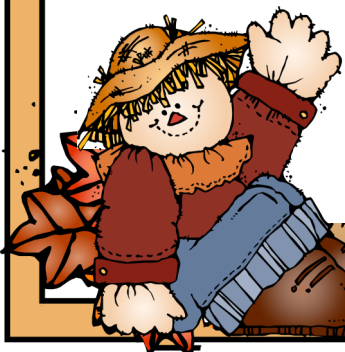

Many lessons have been learned over the past month but, most of all, it is the promise we must all have to keep our students and staff healthy and safe. We want to keep our school operating at a high quality for all. Here are some requests.

- Wear a mask when dropping off or picking up your child; regardless of vaccination status. 3's, 4's and Kinder ages start using carpool to limit the number of people on campus. Carpool Times: 8:20—8:40am and 11:50am—12:05pm.
- Only one parent/guardian can walk into the school for drop-off and pick-up.
- If you are walking in, drop your child off at the classroom door. Please do not enter the classroom and quickly exit the campus.

At St. Peter's School, we are committed to everyone's safety. Our teachers always wear masks/shields indoors. We also work to clean commonly touched surfaces on a regular basis. Our teachers and custodial team use extra precautions to sanitize toys and clean the classrooms. Also, every weekend disinfectant foggers are set off in every classroom. We never use aerosols, vacuum or use harsh cleaning supplies around the children. All major disinfecting occurs after hours for the protection of our young developing children. We also strive to use eco-friendly products when possible.

At St. Peter's School, we are very proud of our NAEYC accreditation and the tradition of a "Great Beginning" shared by our staff, school families and the community. Thank you for choosing our school and giving us an opportunity to share in your child's life. Working with your child is a tremendous blessing to us all.

Dress Code

Children are expected to wear comfortable, casual, wash and wear clothing to school.

Tennis Shoes

should be worn at all times. Sandals, boots, and other hard-soled shoes are not appropriate or safe for the playground. It is also recommended that clothing worn be easy for your child to get on and off by themselves.

GO TEAM GO!

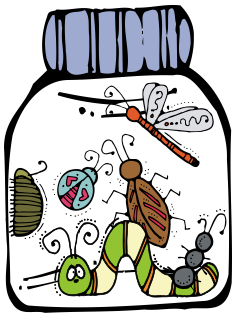

Pesticides on Campus

The State of Texas requires that our school families know that pesticides are used on our campus. St. Peter's School is treated quarterly by a licensed pest control operator.

"Growing Foods"

Strong bodies for strong minds

When it is your turn to send snacks . . . Please send **nutritional snacks**.

Here are a few examples kids usually like: Cheese sticks, yogurt apple sauce, carrots and dip, cheese and crackers, raisins and if you send fresh fruits . . . The teachers will wash and cut it up.

All Snacks must come pre-packaged.

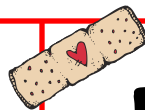

"Health and Safety At School"

KEEPING KIDS HEALTHY

1. Keep students home if they are sick, help us prevent illness from spreading.
2. Have children wash hands frequently with soap and water. Wash for 20 seconds.
3. Cover your mouth and nose when coughing or sneezing. We teach them to cough into their elbow (not their hands).
4. Seek medical attention early if your child has flu like symptoms.

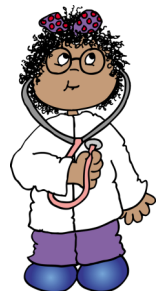

Please . . .

do not bring a sick child to school. Children must be "fever free" for **24** hours in order to return to school.

Regular hand washing keeps the germs away.
