Almighty and everlasting God, you hate nothing you have made and forgive the sins of all who are penitent: Create and make in us new and contrite hearts, that we, worthily lamenting our sins and acknowledging our wretchedness, may obtain of you, the God of all mercy, perfect remission and forgiveness; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen. (Collect for Ash Wednesday, BCP 217)

Dear St. Peter's Family,

In my humble opinion, the collects in our Book Common Prayer lead us to some of our greatest treasure in the Christian church. It is a funny word: collect. We say the word with emphasis on the first syllable (COLL-ect), and yet the special prayer in fact brings together (collects) the prayers of a gathered community and the themes for the day or season of the church year.

More often than not, the beginning of the collect describes the God to whom we pray. Essentially, we pray, "God, we know you to be this particular kind of God, so we need you to be this particular kind of God in our lives." In a collect, we often recall the ways in which God has acted, and we pray that he will act as he has in the past. On the first Sunday in Lent, we recall how God's blessed Son was tempted by Satan, and we pray that God will provide the same protection over us, those of us who are assaulted by many temptations.

The collect for Ash Wednesday, which is the first prayer we pray in Lent, seems to capture the entire purpose of Lent, from beginning to end. We begin the penitential season praying to the God who created us, and yes, he hates nothing he has made. The Lord our maker and redeemer is with us every step of the way in this season of Lent. We turn to the God who created us and ask him to create again, anew. We petition, "Create in us clean hearts, O God, and renew a right spirit within us."

My brothers and sisters, we enter the season of Lent not only with penitential hearts, but we enter Lent with the assurance that God will act as he has done before. The Lord created Adam from dust, so why couldn't he do it again? From dust to dust, we are along the Lenten journey from the old creation to the new. Yes, we return to the dust, fully confident that we will be forgiven of our sins and raised from the dead.

May the Lord grant us the courage to lament our sins and acknowledge our wretchedness, for we know that sin and death is not the end of our Lenten journey. In the end, may we obtain from the God of all mercy, perfect remission and forgiveness of sins, through Jesus Christ our Lord.

January Vestry Highlights

The Vestry met in Tucker Hall on Tuesday, January 19, 2021 at 5:30pm. Fr. Bert opened the meeting with prayers and readings for the feast of the Confession of St. Peter. Following the prayers, a few members of the Vestry then shared life and ministry moments.

The Vestry approved the minutes from the December regular meeting and two actions taken over email. The Vestry approved the minutes of the action to elect the Delegates and Alternate Delegates for the 117th Council of the Diocese of West Texas. The Vestry also approved the minutes of the action to approve the guidelines and protocols to open the parish nursery to the public.

The December financials had been emailed to the Vestry by the Controller, Kristie Keese. The financials had also been reviewed by the Finance Commission. The reports showed that our overall income was at 118% and expenses were at 106%. The financial report was approved by the Vestry.

On behalf of the School Board, Mark Haufler reported to the Vestry. He presented the following highlights from the School Board meeting on January 11, 2021:

Fr. Bert opened the meeting with prayer

Current enrollment is 143. All special programs remain full (early birds, after school care, gym, etc.)

The school has a net loss of \$18,288 for four months ending December 31, 2020. This loss was primarily a result of the purchase of the Clevertouch computer system in December, total cost of \$30,897 and school being closed for two weeks during the holidays. Cash position remains very strong at \$347,917 a/o December 31, 2020 vs. \$341,491 a/o December 31, 2019

The staff continues to provide a safe and enjoyable school experience during these challenging times

Upcoming School Activities:

Grandparent's Week	Feb. 8-12
Valentines for Vets	Feb. 9
Valentine Day Party	Feb. 12
Priority Registration	Feb. 16-19 (current students)
Church Registration	Feb. 22-26
Open Registration	March 1-5

The next School Board Meeting will be February 8 at 12:30 p.m.

Fr. Bert and other members of the Reopening Subcommittee reported to the Vestry. The subcommittee is working with Brian Blacklock on guidelines and protocols for the EYC to regather in person. The subcommittee supports the idea of the EYC regathering, and after working with Brian, the subcommittee will recommend a plan to be approved by the Vestry. Fr. Bert shared that he plans to move the 9:15am service back into the historic nave, beginning February 21. He and the subcommittee feel like the entire congregation is doing a good job in following protocols and we can safely gather the 9:15 congregation in the nave. Eric Maloney, member of the subcommittee and KFD Chief, reported on the local COVID numbers and encourage all of us to stay vigilant. He said we are doing the right thing with our protocols and he does see a light at the end of the tunnel!

David Martin, Junior Warden, reported to the Vestry. David reported on the following:

- **Storage Building to replace green steel box:** Storage building was delivered last Thursday.
- **Audio Visual work for streaming church services:** A router has been installed in the Sanctuary. This separates the office usage from the church, which improved the quality of the video feed. An additional small keyboard will be installed to effectively pre-program settings for the cameras and microphones, which will simplify the operation of the A/V systems by the volunteers.
- **Audio improvements to the Sanctuary:** Brian Blacklock will be working with Nick Boland to get the new audio system installed, which will improve audio control for both live streaming and live services. Current schedule is for Nick to start the work February 8th.

Mickey Horany, Senior Warden, reported to Vestry. Mickey reported that the Vestry received a thank you note from the school for the replacement of the sandbox room. Mickey stated that since this is his last meeting for his term, he thought he would review the past year:

- The year started strong with great attendance at services and strong financial position.
- COVID-19 appeared in March and we were forced to offer YouTube only video services for no in-person attendance for two months. Brian Blacklock took the lead in setting up and streaming our YouTube services. A “Dream Team” of YouTube producers has been established and trained to continue this endeavor.
- Brian along with Fr. Bert began to examine ways to improve our video productions and YouTube streaming. With general help from MacDonald Endowment a state-of-the-art video system has been installed.
- We were able to go back to limited in-person attendance at the 9:15 a.m. service in Tucker Hall and later in November for the 11:15 a.m. service in the Sanctuary. Here I have to thank the Altar Guild, Ushers, Lectors, Choir and more people than I can think of for their hard work and flexibility in an ever-changing world.
- We had a hugely successful generosity campaign entitled “Love Your Lord, Love your Neighbor”, in spite of the economic effects of COVID-19. This is a credit to you, our faithful parishioners and your continued love for the Lord and your neighbor. Here I will insert a Thank You to Hiram Wilson for leading this effort and to all who helped him make it a success.
- We were able to participate in the Payroll Protection Program of Cares Act with a PPP loan. This loan helped the Parish and the School to weather potential financial difficulties and end our year in a good position. These loans have been forgiven per procedures and guidelines from the Federal Government. Most of the paperwork and attention to detail here was due to the efforts of Kristie Keese, our comptroller.
- Our endowments grew (see reports) in spite of economic fluctuations and a new endowment for scholarships was established. This, the McCaskill Scholarship Endowment, was a result of the generosity of Charles and Pam McCaskill.
- We have been able to develop COVID-19 safety protocols to allow small groups such as the Vestry, ECW, bible study groups and more to again meet in person. And not the least of which, the Cottage Shop has been able to reopen. There are many individuals to thank for all the work done in these areas and I hope you know we appreciate you. The protocols were developed under the leadership of a subcommittee comprised of Eric Maloney, Richard Mosty, David Martin, Fr. Bert and myself. I owe a great deal of gratitude to these individuals for their work and dedication.
- St. Peter’s School like all schools nationwide were forced into an abbreviated academic year last spring, as classes had to be cancelled in March. However, again due to the resilience of the School administration and staff, the School is going strong with no real decrease in enrollment or financial stability. Again, I find myself sending a huge Thank You to the staff, the School Board and the families who continue to believe in the quality of spiritual and academic education provided.
- We are now starting the new calendar year of 2021 and will be starting a new fiscal year as of this writing. Unfortunately, with the stroke of midnight on January 1st, all of the issues and struggles of 2020 did not simply disappear as expected. However, as I expected, neither did all the hope, prayers, faithfulness or spiritual strength of our St. Peter’s family.

Mickey said, “So, with the last bullet point in mind, and as I end my term as Senior Warden, I look forward to meeting the year 2021 head on with you. With the leadership of our Clergy, Vestry, staff and each of you, we will ‘Know Christ and make Him known to others.’”

Mickey Horany also reported on an update on the COVID vaccines stating that there are no vaccines currently available in Kerr County at this time. Mickey encouraged the Vestry to sign up for alerts on co.kerr.tx.us/eservices/ for the CODE RED app to receive alerts which should notify you when COVID vaccines are available and numbers to call to make an appointment to receive the vaccine.

Vestry highlights, continued.

Fr. Bert reported to the Vestry. Fr. Bert reminded the Vestry that the Annual Meeting will be held in person and virtually, via Zoom. Fr. Bert and his staff have coordinated efforts to accommodate both the in-person and online congregations, and Fr. Bert is finalizing the details for each report to be delivered at the Annual Meeting.

Fr. Bert reported on the Adult Formation Class being taught on Sunday mornings. The class is titled *Practicing Our Faith*, and the class is based on the book *Walk in Love*. The class started on January 10, and the class will continue to be taught by Frs. Bert and Mike and other lay catechists on Sunday mornings through Palm Sunday.

Fr. Bert shared more plans for Lent and the spring. Fr. Bert and Brian Blacklock are working on a program called "Lent-in-a-bag" which will provide home devotionals and activities for families in the season of Lent. On the first Sunday in Lent, Fr. Bert plans to reintroduce the youth acolyte ministry in worship. He will work with the acolyte masters on the recommissioning this ministry.

Beginning Ash Wednesday, and through the season of Lent, a mid-week Holy Eucharist will be offered on Wednesday evenings at 5:15pm (in-person and streamed). Fr. Bert announced his plans for the speaker series which will be a virtual program with speakers from near and far. He has already secured two speakers from the United Kingdom: the Rev. Adrian Morgan, Vicar of St. Catherine's Church, Gorseinon, Wales, and the Right Reverend Jo Bailey Wells, Bishop of Dorking.

In looking beyond Lent, Fr. Bert shared his hopes for the parish to have its annual parish picnic at Camp Mystic on Sunday, April 11. Also, Fr. Bert announced the date for the Bishop's Visit. Assistant Bishop Rayford High will visit the parish on Sunday, April 18.

Under New Business, Mark Haufler made a recommendation on behalf of the Finance Commission. The Finance Commission recommends that our parish move our bank account to Security State Bank and Trust. The Vestry followed the recommendation and took action to move the parish bank account to SSBT.

The Vestry and Rector closed their meeting with the Lord's Prayer. The meeting was then adjourned.

The next regular meeting will be Monday, February 22 at 5:30pm in Tucker Hall (or by video conference). As always, anyone in the parish is welcome to attend. If you wish to be on the agenda and speak, however, please notify the Rector no later than the previous Tuesday, February 16, when he writes the agenda and then sends the agenda to the Vestry.

A Message from Father Mike...

LENT 2021

"I prayed to the Lord, my God, and confessed, "Ah, Lord, great and awesome God, you who keep your merciful covenant toward those who love you and observe your commandments! We have sinned, been wicked and done evil; we have rebelled and departed from your commandments and your laws. But yours, O Lord, our God, are compassion and forgiveness!" (Daniel 9:4-5, 9).

As Lent approaches, I begin to consider what I shall do as part of my annual devotions in this important season. Since I'm never without something to pray about, work on, begin, quit, or continue, I've got plenty to do! Fasting, prayer, the giving of alms: these are the merest outlines of the keeping of a holy Lent. We might think of Lent as a good old-fashioned interior Spring cleaning. It commences with a purposeful, thoughtful sweeping of the soul and conscience, the removal of spiritual clutter and senseless noise, and a reorientation of life direction. Beginning with something small, we move along according to our abilities and the grace God gives us. Without thinking about the end result or continuously judging our performance, we offer this time to Our Lord and Savior, who leads us through his Passion to his glorious Resurrection.

God of mercy and compassion, you hold out to us the hand of your mercy to raise us up from the misery our selfish sinfulness has brought upon us and those whose lives we touch. Teach us to weep where we have caused weeping, to mourn where we have caused mourning, and to lift up what we have brought low. In hope and trust, we turn to you for healing, through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever. Amen.

A blessed, holy Lent to you all,

Mike⁺

Camp Sunday

February 7, 2021

Camp Sunday is a day devoted to raising camper scholarship funds, sharing stories of faith formation and personal growth from camp, and inviting families and campers to sign up for camp sessions and retreats at Camp Capers, Mustang Island Conference Center, and Duncan Park.

Camp Sunday celebrations represent a bright new season and a hopeful return to normalcy after a relentlessly challenging 2020. Approximately one-third of our campers rely on partial or full scholarships to attend our camping programs, and this year, the connections, adventures, faith, and joy found at camp are needed more than ever. Together, we can help families, children, and youth participate in these life-changing programs.

Join us on Camp Sunday as we listen to our own parishioner, Mrs. Lisa Earl, share her own stories with us here at St. Peter's.

Do you know Lisa Earl? Here's a bit about her!

Lisa is married to Tyler, and they have three beautiful girls, Avery (13), Lyla (12), and Hannah (7). She is a lifelong Episcopalian and member of St. Peters Church. She was baptized and raised at St. Peters, and now has three girls who also have been baptized and raised at St. Peters.

As a child, Lisa attended Camp Capers Episcopal Camp, and now two of her girls attend Camp Capers and absolutely love it. St. Peters, Camp Capers, and The Diocese of West Texas all hold such a special place in Lisa's heart - we're excited to hear what she has to share with us on February 7th.

Join us for worship and stories!

A Modified Return to Worship and Congregational Life:

Diocesan Protocols and Guidelines

We have returned to a modified form of worship because we love our neighbor. Protocols have been put in place because we desire to return to worship and we do so with concern and love for our neighbor.

In addition, Bishop Reed has given us permission to move forward with the next phase for in-person gatherings, which he is calling "Phase 2b: A Modified Return to Congregational Life." This is the right next step for a modified return to congregational life.

STAY CONNECTED!

Since September, when the Vestry approved protocols for a modified return to congregational life, St. Peter's has been glad to make the courtyard and Tucker Hall available for parish group meetings. The protocols require Ministry Leaders to submit a formal request to reserve a time slot for their group meeting. There is a link for this form in each parish email., or contact Ginny in the church office.

Below you will find the contact information for Ministry Leaders. Please be in touch with your respective Ministry Leader to learn how members of your ministry group are engaging with one another, virtually or in person.

If you have questions, call the office. If you need support from your clergy, please contact Fr. Bert or Fr. Mike. We are here for you. We can be reminded how two thousand years ago St. Paul struggled with not seeing his fellow Christian brothers and sisters "face to face", but he was confident that our hearts are knit together in
