St. Peter's Episcopal School

May 2021

Message from the Director: Janet Boutin

It is hard to believe that another school year is drawing to a close. Our year has been filled with so many special memories. We hope you and your child have enjoyed this year as much as we have. St. Peter's is a very special school and it is made even more special with the wonderful families and their children that fill our classrooms.

In the Fall of 2019, our school earned reaccreditation with NAEYC (National Association for the Education of Young Children). This mark of distinction puts our School in the top 8% of early childhood centers in the U.S. No other area school has this accreditation. We have been accredited since 1989. We are very proud to be an NAEYC school.

Over the summer, if you need to contact the school, call or e-mail the School Office. We will not have regular office hours but, we will continue to check messages, mail and e-mails. Also, www.myprocare.com is available for online school payments.

In August, we will be sending you information about back to school. You will receive notification of Discovery Day/Meet the Teacher time and sign up information about Kid's Day Out, Gymnastics, Early Birds, After School Care and Parent Association sign-up.

Once a month all of our students practice a fire drill. Once a year, the Fire Marshal does a full inspection of the entire school. Also, three times a year the School practices a storm/tornado/lock-down drills.

During the storm drills we relocate all the students into the enclosed hallway of Shelton Hall. In the event we would have to relocate, our School's designated shelter is next door at the Cailloux Theater (910 Main Street).
