A Message from the Director: Janet Boutin

Happy New Year! I hope all of you had a special holiday season shared with family and friends. St. Peter's staff has enjoyed the extra time with their families and are excited about starting the second half of our school year. There are many fun activities to look forward to in the upcoming year.

Thank you to all of our parents that participated in the fall parent/teacher conferences. I received so many overwhelming positive comments from our school families. It is very gratifying for our staff to know that their work is appreciated.

Registration for the 2020—2021 school year will begin February 18th. Information regarding registration will be sent home the beginning of February. Please take advantage of this week to sign your children up for our next school year. If you know a family that would be interested in receiving this information, please have them contact the School Office at 830-257-0257 or stpeterskerville@hotmail.com.

In closing, I would like to thank our School, Church and community for 51 years of ongoing support. Thank you.

Message from the Parent Association:

Amanda McDonald, President

Our next Parent Association meeting is January 10th at Noon in Tucker Hall. Please plan to attend. Thank you to all the parent volunteers who help in so many ways: Raffle donations, Feast, teams P.E., room mothers, bakers, book sales, etc. It all benefits our children!

We are now gearing up for our big year end Annual Spring Fling fundraiser on Monday, May 18th at the Cailloux Theater. Please plan to attend and support your child and our great School. Please bring the whole family to include grandparents.

Thank you!

We would like to thank St. Peter's Church for making the School the recipient of their Christmas Giving Tree Program. We have been blessed with an abundance of additional school supplies in all of our classrooms.

Thank you,
St. Peter's Staff

Severe Weather

This is just a reminder that in the event of severe weather (flood, ice, etc.) St. Peter's School follows Kerrville ISD school closings.

If there is severe weather, please tune to the local radio stations and listen for information regarding KISD school closings. Whatever KISD does, St. Peter's School will follow (if they close schools, we will too. If they delay school opening, we will follow).

Note: No make up days
