St. Peter's Episcopal School

May 2020

Message from the Director: Janet Boutin

It is hard to believe that another school year is drawing to a close. Our year has been filled with so many fond memories and also with our first Governor's Emergency School Closure Order. During the closure, we hope your child has been having fun doing their remote Seesaw lessons. Our staff has worked to bring their regular learning themes, letters, numbers, Music, Chapel, P.E., Library and more inside your home. We have enjoyed seeing your child post their work and their videos of kind words and hellos.

In the Fall of 2019, our school earned reaccreditation with NAEYC (National Association for the Education of Young Children). This mark of distinction puts our School in the top 8% of early childhood centers in the U.S. No other area school has this accreditation. We have been accredited since 1989. We are very proud to be an NAEYC school.

Over the summer, if you need to contact the school, call or e-mail the School Office. We will not have regular office hours but, we will continue to check messages, mail and e-mails. Also, www.myprocare.com is available for online school payments.

In August, we will be sending you information about back to school. You will receive notification of Discovery Day/Meet the Teacher Time and sign up information about Gymnastics, Kid's Day Out, Early Birds, After School Care and Parent Association sign-up.
